

What we liked

I liked the trips that we went on while we were on the exchange as they were interesting and engaging and taught us a lot. I also enjoyed spending time at home with my exchange partner as we got to know each other very well.

Mir haben die Ausflüge sehr gefallen, da sie sehr interessant waren und wir sehr viel Spass hatten. Auch habe ich die Zeit nach der Schule sehr genossen, da wir viel mit anderen Austauschschülern gemacht haben.

What were our favourite parts.

My favourite part of the exchange was the trip to Heidelberg in Germany because the city had a lot of pretty buildings and I got to spend time with my friends and my exchange partner's.

Mein bestes Erlebnis war der Ausflug in das Black Country Museum, weil es sehr aufregend war in die Miene zu gehen und weil wir viel zur viktorianischen Zeit gelernt haben.
